

# COMMUNITY ENGAGEMENT IN THE ERA OF COVID-19:

OPPORTUNITIES, CHALLENGES AND LESSONS *BEING* LEARNED

**THURSDAY, MAY 14**

**1:00-2:00 P.M.**

Join to learn of and share experiences in community engaged research, clinical care, and practice as we adjust to uncertain times. The purpose of this webinar is to discuss how to *develop* and *sustain* community engagement approaches that positively impact population health while navigating a public health epidemic.
